

Degree: **Associate of Science** for Health Career Pathways **(0063)**

Pathway: **Physical Therapist Assistant (0363)**

To apply to the PTA program, the following courses must be completed with a minimum grade point average of 3.0 (a grade lower than a "C" is unacceptable). Until the student is ready to apply to the PTA program, he/she will be working toward earning an Associate of Science. All courses required for the PTA program are also used in the completion of the A.S. degree.

ENGL 1101	Humanities & Fine Arts – One elective from all options shown in Area C	
MATH 1111 (or higher)	PSYC 1101 >>>>>>	PSYC 2103
POLS 1101	BIOL 2411K >>>>>>	BIOL 2412K

To complete the A.S. degree for Health Career Pathways, the student must complete the requirements for each Area (A - G) shown below. The courses required for the PTA program have been added to the appropriate *Areas* for which they satisfy and are bolded with an asterisk. Once Areas (A – G) are completed, the student will be awarded an Associate of Science degree.

Regardless of declared pathway, a student may apply to any career program for which they have met the requirements.
